MiWay - bad and unprofessional treatment

Very bad experience during my car accident assessment. I am still awaiting my assessment recording since the date of car accident (7 sept 2025). Now I'm getting silent treatment after wave and wave of emails and sms I've written to the company and assessor. Their report which was outsourced from some external agents call collision science Africa is also misrepresentation of my personal assessment statement and yet they are...

Premiums deducted for no reason

OUTSURANCE kept deducting monthly premiums after I claimed for a phone. The lady I spoke to confirmed the amount that was being deducted which was more than R400, i requested a refund, i see they only paid R30 instead of over R1500. No explanation given

Duplicate transactions and delayed transaction postings on my FNB account

Dear FNB Complaints Team,

I am writing to formally lodge a complaint regarding duplicate transactions that have appeared on my cheque account.

On 01/03/2026, the debit order on my credit card of R1148,41 was processed twice. These duplicate charges have negatively affected my available balance and caused unnecessary inconvenience.

I request that:

The duplicate transaction(s) be urgently investigated.

The incorrect amou...
